

Dear Parent,

We have upgraded our online meal payment service. This year we are once again using K12PaymentCenter. You will be able to register and begin using the service 8/17/20. Dealing with your child's lunch money just got a lot easier! You can now add money to their meal accounts online securely and even see what they are buying.

Beginning 8/17/20 go to www.K12PaymentCenter.com and click "Register Now" to create an account. Select Discovery Academy/DHS from the drop down list, fill in your information, and input your credit or debit card information and you're ready to go! *Please note that for payments up to \$100 the convenience fee remains \$1.95. For payments over \$100 the convenience fee will be 2.99%. You do not need to pay just to view your child's purchases.* To register, you will need your child's student ID number; simply contact Pam Tyner, 863-295-5955 for that or any other questions you may have about our meal program.
